TO : Assistant Director for Research and Reports DATE: 27 August 1951
FROM : Chief, Reports Division
SUBJECT: Draft OPC Project for CIA Support of the Human Relations Area Files
REFERENCE: Memorandum for the ^{25X1A8a} ~~Assistant~~ Director for Research and Reports
from the Chief, [REDACTED] Office of Policy Coordination,
same subject, dated 10 August 1951

1. Careful inquiry shows that the Divisions of ORR have only minor interest in the Human Relations Area Files at this time and that no Division believes ORR support of the files to be justified under present circumstances.

2. It is proposed to keep the progress of this research organization under periodic review with special reference to the development of improved techniques and competence in areas of more immediate interest to ORR. Significant changes will be reported.
